Review and approval of November 2009 meeting minutes.

Public Meeting

Minor Subdivision

4292 Post Road

Applicant: 164 Property Ltd.
Location: 4292 Post Road
Assessor's Plat: 221
Lot(s): 24
Zoning District: Office
Land Area: 19,609 square feet
Number of lots: 2
Engineer: Ocean State Planners, Inc.
Ward: 9

The applicant is requesting preliminary approval to subdivide one conforming lot with an existing single family dwelling to create two lots, one lot with an existing single family dwelling and one new lot for development in an Office Zoning District.

Planning Department Findings

The Planning Department finds this proposal to be generally consistent with Article 1 "Purposes and General Statements" of the City's Development Review Regulations, and:

- 1) Generally consistent with the Comprehensive Community Plan.
- 2) In compliance with the standards and provisions of the City's Zoning Ordinance.

- 3) That there will be no significant negative environmental impacts from the proposed development.
- 4) That the development will not result in the creation of individual lots with such physical constraints to development that building on those lots according to pertinent regulations and building standards would be impracticable.
- 5) That the proposed development possesses adequate access to a public street.

Planning Department Recommendations

Planning Department recommendation is to grant preliminary approval with final approval to be through the Administrative Officer with the following stipulations:

- 1) That the final plan shall include the following:
 - a. Grading for the proposed new structure.
 - b. Note station and offsets to all property corners.
 - c. Show property lines for lot #25.
 - d. Note the location of Wolverstone Road across Post Road.
 - e. Note if topographic features are Class I or Class III.
 - f. Show dimension to iron rod POL on southern property line.
 - g. Plan must be in compliance with Section 3.02C of the Procedural and Technical Standards for the Practice of Land Surveying.
- 2) The developer shall meet with the Warwick Sewer Authority to provide sewer connection to proposed "Parcel B", prior to final approval.
- 3) The developer shall contact the City's Landscape Project Coordinator to determine tree preservation plan for proposed "Parcel B", prior to final approval.

Public Hearing
